

Staff member Maclaen Burningham (left) continues to take care of our recycling program. He and his job coaches, Steve and Valerie Burningham make a weekly trip to the transfer station to drop off our cardboard, plastics, metal cans, office paper, and more. We're grateful for their help!

Meet our board of trustees! Pictured from left to right are Brooke Wegner, Allen Bone (chair), Library Director Marilyn Trosper, Bruce Harrop, Holly Wurl, and Maggie Newman.

Please join us Friday, November 3rd from 11 am to 1 pm for a retirement reception honoring Mary O'Brien's outstanding 19 years with the library. She will be greatly missed by staff and patrons alike, but she is looking forward to writing and spending time with her husband & grandkids!

Free Technology Classes Are Now Twice a Month

The library's free technology classes are now being offered twice a month.

Technology Specialist Heather Miles will teach one session on computer basics for beginners and a second class for those with more advanced skills. Times, dates, and topics will be announced. Watch for details!

Each session is about 1 1/2 hours long, and registration is requested. Classes are generally limited to 10-12 participants.

Social media classes

on Pinterest, Facebook, and Twitter are tentatively among those on the docket. All classes will be advertised.

Remember to check the library's website, Facebook, and Google calendar. They are all up-to-the-minute sources of information about library events.

Welcome Mallory!

Mallory Witham has been selected as the library's new administrative assistant. She began her job on October 18th and is already a vital part of the staff.

Mallory comes to the

library with plenty of experience in all aspects of the job and is a familiar face around town. She will take over Mary O'Brien's position when Mary retires on Nov. 3. Please stop in to welcome her!

Thanks and Happy Trails, Jim!

There once was a tech guy named Jim,
And the library's grateful to him.

With adeptness and skill

And a lot of good will,
He's helped us through thick and through thin!

We love our paper books! (Also our eBooks and audiobooks!) Did you know we have paperbacks you can take home without checking them out?

International Observe the Moon Night

Both adults and kids turned out for International Observe the Moon Night, presented by Youth Services Librarian, Kendra Mullison. Kendra began the program with a presentation on the SMARTBoard, followed by the opportunity for attendees to try out two telescopes, one of which was generously donated by library trustee, Maggie Newman.
