Service and Support for the Library

The library is fortunate to have a group of dedicated volunteers and community partners who give their time and resources all year long.

Each April during National Volunteer Week, they are honored at a Volunteer Appreciation Breakfast hosted by the library staff.

This year, we were pleased to celebrate more than 50 community members who serve the library in one helpful way or another. The event theme was *"Volunteers: More Precious Than Gold."*

Gathering at 8:30 a.m., the group enjoyed a smorgasbord of delicious hot breakfast dishes, live music by both staff member Angela Claver and singer Neal Lewing, and a gift of classic Golden Books, each inscribed with an honoree's name and added to the library's collection.

Coming up!

ADULT COLORING SESSIONS

Join Angela this spring for two more sessions of adult coloring. The events will be Wednesday, May 24th at 2:30 p.m. and again at 5:00 p.m. There will be a spring-time theme, plenty of coloring supplies to enjoy, and some great refreshments.

INTERNET SAFETY CLASS

Internet safety will be the topic of the May technology class offered by Library Specialist Heather Miles. The class will be held May 23rd at 2:00 p.m. in the meeting room. Please call or stop by the circulation desk to sign up!

FAMILY SUMMER READING PROGRAM

The annual Family Summer Reading Program will bring fun for all ages beginning June 12th! Watch for signup information soon. Along with an exciting theme and plenty of reading incentives, there will be programs on Thursday mornings for school-aged kids!

Our National Library Week food drive was a success, bringing in 182 pounds of nonperishables for the local Loaves & Fish food bank.

These are some of the 50 classic Little Golden Books that are being added to the children's collection this month in honor of our valued library volunteers and community partners. Their familiar pages contain plenty of fond childhood memories for adults, and we're hoping a new generation of kids will find them to be treasures, as well.

FLIPSTER!

Flipster is a digital magazine distribution service which lets users access their favorite magazines from a variety of publishers through their local libraries. We are proud to now offer this service, which can be accessed from our website's home page!

The Young Adult section brings teens to the library to peruse the many new fiction and nonfiction selections added in recent months.

Money Smart Week

The Library celebrated Money Smart Week, a national event that helps consumers better manage their personal finances. Children's books — and their accompanying Parents' Guides — are displayed near the circulation desk for families to take home.
