

Weekend Wigglers

Starting February 18th, North Lake County Public Library in Polson will host a new program called Weekend Wigglers, featuring books, crafts, games, and fun for all. This one-hour activity for school-aged kids will be held every other Saturday from 2-3 PM in the library meeting room.

“Weekend Wigglers is a Family Story Hour,” says Kendra Mullison, the library’s Youth Services Librarian. “We encourage parents to come and be hands-on in the process.”

Each program will be based on the week’s Story Time theme. Themes for the next several months will highlight books by popular author Jane Yolen. Music and stretches will be added.

For more information, stop by the library at #2 First Avenue East, call 406-883-8225, or follow the library on Facebook and Twitter.
