

POP OF COLOR

An Adult Coloring Program

Are midwinter gray days starting to take a toll? A pop of color is what we need!

North Lake County Public Library will host an adult coloring program on Thursday, February 7, from 2-4 p.m. in the Library meeting room.

We provide snacks and all coloring projects & supplies (you may also bring your own.)

Please join us for this popular library program, full of relaxed fun, a little life-long learning and good conversation. See you then!

The Library is warm and toasty this winter, thanks to our new HVAC system paid for by the Library Foundation. Please come in to enjoy the library and check out books, movies and magazines to see you through these

winter days.
