

PUBLIC BULLETIN BOARD POLICY

The North Lake County Public Library Board of Trustees believes the Library is a community center to share ideas and information. To support this idea, the North Lake County Public Library makes available a bulletin board for display of posters promoting events and services of interest to the community.

In doing so, the library does not support any point of view presented by those displaying posters nor does it endorse any organization. Use of the bulletin board is available to all groups and organizations. Items will remain posted for a period of 2 weeks or shorter if an event has a specific date listed. Posters with profanity or graphic images are not allowed as this is a family friendly environment. The Library Director reserves the right to remove and discard any poster that does not comply with this policy.

This policy was reviewed and approved by the North Lake County Public Library District Board of Trustees on **May 23, 2023**.
